

# YMCA Camp Bernie Group Mate Request Form

YMCA Camp Bernie is a place for campers to come and meet new friends and rekindle old friendships made in the past. We recognize the desire for campers who attend with a friend to be in the same group. We also understand the importance of making new friends and creating a unified community within their group.

We will consider one group-mate request per camper. If more than one request is made, the first one will be considered. Requests must be mutual – the other camper must also request your child on their form. The age difference between the two campers must be one year or less, if greater differences are considered the older camper will always be placed in the younger group.

Every effort is made to accommodate requests when making group assignments.

I/We as the Parent or Legal Guardian of \_\_\_\_\_ wish  
Name of Camper  
to have our camper grouped with \_\_\_\_\_ during
