

Day Trip Packing List

In order for students to be safe and comfortable while at camp, it's important that they come prepared. Parents and students should be made aware well in advance what should and should not be brought to camp so that items families don't own can be borrowed or substituted rather than purchased hastily or neglected altogether. When advising students and their parents on what to bring we recommend they be reminded of the time of year the school will be attending camp.

-All jewelry and other expensive belongings (iPods, mp3 players, cell phones, video games, digital cameras etc...) or those with sentimental value should be left at home. *Please note: Cell phone, iPod, mp3 player and video game usage is prohibited during Camp Bernie run activities. Should a participant bring these items, they must remain turned off and in the participant's day pack while at Camp Bernie.*

-Items explicitly prohibited are, weapons including pocket knives, matches and other flammable items, and food.

-Students' items should be labeled with their first and last name and the name of their school.
