Campers are frequently reminded to keep track of their belongings. Items that are left behind are collected in a large bin on the Dining Hall porch. On check-out days, belongings are displayed in the Grassy Knoll (near the Dining Hall). Please check here before leaving with your campers. At the end of each session, found objects are collected and stored. Photos of found items are posted on Facebook in the Lost & Found album. Items that are not claimed by September 15th

are donated to a charitable organization.

Trading Post (Camp Store)

This is where campers can purchase souvenirs, snacks, camp shirts, etc. All money is put into your camper's account ahead of the camp session. The Trading Post is a "cashless" store, so there is no need for your camper to bring cash.

- If your campers are registered for a Holdover weekend, they will be attending an off-site trip. If you wish to provide cash for your campers to spend on the trip, please seal it in a separate envelope labeled with your camper's name and the word "Holdover". This is turned in at check-in and kept in our safe until Holdover. We will not take money out of your camper's Trading Post account for trips.

Trips

Two-week campers in grade 7 will participate in a canoeing/camping trip on the Delaware River at no extra cost. Two-week campers in grades 8-10 may pre-register to participate in an optional whitewater rafting trip on the Lehigh River for a \$100 fee. At least 10 campers must be enrolled for this trip to run.

Participation

Participation in all camp activities is expected unless prior arrangements have been made with the Camp Coordinator. The YMCA reserves the right to dismiss a child from camp for medical or behavioral reasons. **In all cases, camp fees are non-refundable.**
