

## YMCA Camp Bernie Packing List Clothing and Equipment

**Please pack according to the number of days your child will be here**

Every item your child brings to YMCA Camp Bernie should be labeled with your child's first and last name. Why label? Labeling your child's clothes/towels, etc. helps camp manage lost and found and campers are more likely to go home with everything they brought. You can Google iron-on labels for clothing or go to [www.bestnametape.com](http://www.bestnametape.com) or [www.labellighthouse.com](http://www.labellighthouse.com) or use a permanent clothing magic marker.

Campers should pack enough clothing for their full session. Laundry services will be available for an additional charge, please call camp for pricing.

Please pack your child's clothes in a suitcase or duffle bag. Footlockers & trunks consume too much space in the cabins.
